ALL RECORDS BROKEN AT GREAT BRODHEAD FAIR

Over Five Thousand People On
Grounds On Second Day—First
Two Days' Awards.

Brodhead, Ky., Aug. 14.—The great Brodhead fair began this morning and the gate receipts show a larger attendance than ever before on the first day. Lincoln county is well represented and also visitors from everywhere. Prof. J. Shropshire the bird man, with the airship, Hoagland Bros. Hippodrome and numerous other attractions with their good shows, are big drawing cards. Col. J. P. Chandler, the efficient ring master is here, conducting the affairs of his office in a satisfactory manner. The display in the floral hall is better than ever and more abundant, more room for their exhibition having to be added. It was 2 o'clock before the awards had been finished so extensive were the exhibits. Visitors who have attended fairs all over the state say the display here today has not been excelled, either in quantity or quality.

The staffs are filled with fast horses and much good, blooded stock, every one in the crowd looks a winner.

Thursday the second day, all previous records for large crowds were broken. This day, known as Lincoln county day, over 6,500 people were in attendance, and the Lincoln delegation helped swell the crowd to a considerable extent, the East End and seemed to be present en masse, while Stanford and vicinity sent a nice delegation. Everybody enjoying the big time and loud in praise of the occasion.

LINCOLN COUNTY COLTS MAKE SLENDID SHOWS

Murphy and Scudder Take Second

Wide Futurity at Lexington

Lincoln county bred colts showed their class in the fair show rings this week. W. H. Murphy's filly colt, Bohemian Art, took second money in the Saddle Horse Chronicle's Futurity at the Lexington fair. This colt is out of his splendid mare Lady Dare and is sired by Allen Edeien's Bohemian King, and she belongs to Mr. Edeien at the end of the show season, he having purchased the season three years ago. She also took first money in the ring for filly foals of 1912, and together with another colt by the Edeien horse, got first for the best two get of any one sire. Second money in the Futurity was worth \$229 to Mr. Murphy. Third money \$172, in the great Futurity was won by Dick Scudder, also of this county with his black filly Titilla, by All Peavine—Emma White, which Mr. Scudder sold a short time ago to W. C. Massie, of Paris.

The first money in the Futurity was won by S. C. Carpenter, of Millersburg with his filly, Satauma Chieftain—Anna Corrine.

In the sweepstake saddle championship at the fair Thursday the winners were in order: Nickel Plate, owned by Bob Moreland, formerly of Stanford, Bourbon Price, by T. H. Smiley & Son, Hazel Dawn, by Matlack and Shropshire, and Princess Z.

In the yearling Futurity first premium was taken by the colt which Dick Scudder sold to Mr. Massie, of Paris.

They will likely purchase the former Curry Grocery Co., lot, just west of the depot, for this new building. The fact that this company is going to put up a building which will be a credit both to themselves and the city, knocks in the head the recent statement of a Danville publication to the effect that it would move to that city.

SHOW NEXT WEEK

K. Ps. To Put On Play Second
Night of The Fair.

There will be a great many attractions in Stanford next week during the K. of P. fair. One of the nicest of the entertainments planned for the guests within the gates of the city will undoubtedly be a home talent play to be presented on Thursday night, the second night of the fair, under the auspices of the lodge. The play is entitled "A Woman's Honor" and some thrilling scenes are enacted during the course of the evening, according to those who have seen the rehearsals. Miss Ella Mays Saunders is doing the coaching of the performers, which assures that they will be well trained. Some taking jokes are said to be interpolated throughout the performance and a big crowd is expected to be present to witness the performance.

FLOUR MILL

To Be Built In Crab Orchard By Two
Rockcastle Men.

Crab Orchard is to have a flour mill if the plans of Messrs. S. L. Cummins and J. A. Proctor, of Rockcastle, are carried out. These gentlemen last week purchased a vacant lot from Ivon Fish near the depot, also a cottage from George Holmes, adjoining the Fish place, and will at once begin the erection of a mill, of 60 barrels a day capacity. Both men are experienced and have gone into the venture with much enthusiasm. They believe that there is a splendid field for such an enterprise at the bustling little city in the East End of Lincoln and will push things for all they are worth.

Construction work will begin at once, and it is hoped to have the mill in operation within a few months.

Mr. Proctor is a brother of Dr. D. E. Proctor, of this city.

To Play At Junction City

So successful was the delightful three-act comedy "Her Gloves" which was presented at Hustonville last Saturday evening for the benefit of the Baptist church there, that Miss Maney Ware has agreed to take her company of amateur actors and actresses to Junction City for a second performance of the clever play. It will be presented at the opera house there on next Tuesday night, August 20th, for the benefit of the Baptist church, and a big crowd is expected to attend. An admission of 25 and 15 cents will be charged.

The Old Story of The Empty Gun.

Junction City, Ky., Aug. 15.—The body of Buck Christeson, aged 17, son of Mr. William Christeson, who lives near here, was brought here Tuesday morning and later interred near his late home. He and his cousin, Grover Christeson, had been working near Harrodsburg. When coming home late Sunday evening, Grover Christeson laid his pistol down on something in the room they both occupied and going out to do something Buck reloaded the gun, the other man having taken the cartridges out of it previous to leaving the room. Upon the return of Grover, he playfully aimed the pistol at Buck and pulled the trigger. Buck Christeson lived but an hour, the cartridge entering the left bowel.

KILLS GERMS

Parisian Sage is Also The Most Delightful Air Dressing on Earth

G. L. Penny guarantees it for dandruff, falling hair and itching scalp and a large bottle costs but 50 cents.

"In August I began losing my hair in spots from the size of a quarter to the size of a silver dollar. I was seriously alarmed—after consulting physicians and trying many things, I decided to try PARISIAN SAGE and I find my hair in much better condition, new hair growing in the bald spots." Mrs. Blanche S. Marshall, 407 Hinton Ave., Charlottesville, Va. Ladies give delightful PARISIAN SAGE a trial, and see how quickly your hair will grow lovely and fascinating.

D. C. Hylce, teaming contractor living at 609 Keeling Court, Canton, Ill., is now well rid of a severe and annoying case of kidney trouble. His back ached and he was bothered with headaches and dizzy spells. "I took Foley Kidney Pills just as directed and in a few days I felt much better. My life and strength seemed to come back, and I sleep well. I am now all over my trouble and glad to recommend Foley Kidney Pills. Try them." Shogers and Tanner.

DINSMORE PROVES TO BE A BULL MOOSER

Taft Republicans Will Have To Put
Up With Having Roosevelt
Man Under Cabin.

The Taft forces in the Eighth Congressional district have awakened after the primary last Saturday week to find themselves in the middle of a bad fix, in regard to their candidate for congress. Prof. J. W. Dinsmore, of Berea College, was the only aspirant for the empty nomination against Harvey Helm, and got all the republican votes that were cast in the district. Very little information had crept out of the college town previous to the primary as to the attitude of Dinsmore on national affairs, and he is practically unknown over the district. Since then information has been received here, that he is out and out Bull Moose, and is eternally opposed to the re-election of the President. In fact, it is whispered that he has harbored mighty strong sentiments for Woodrow Wilson, but since the nomination of Roosevelt at Chicago, he has mounted the Progressive band wagon. So closely has he become allied with that wing of the party, that it is said the Berea Citizen, whose sympathies are said to be with the Taft side of the question, will decline to advocate his candidacy in its columns in the forthcoming campaign. And this, too in spite of the fact that he is a prominent instructor in Berea College, which owns and publishes the paper.

What action the Taft republicans will take to keep from voting for a Bull Moose for Congress is causing considerable interest in the Eighth district. Dinsmore, having been formally nominated as the republican candidate in this district, will, under the law, go on the ballot under the log cabin, and there is no way for the Taft people to get him off.

The feeling is intense between the two factions in this section, and each is claiming it will poll the largest vote. The Roosevelt adherents are very anxious to beat out the regulars so as to take second place on the ballot.

Race Cost Judge Sullivan \$4,950.

Washington, Aug. 15.—The supplemental statement of campaign expenses required to be reported under the Federal law, exclusive of personal expenses, of Jere A. Sullivan as candidate for Congress against Representative Harvey Helm was filed with Clerk Trimble, of the House, this week showing that Judge Sullivan spent a total of \$4,950. Only one contribution is accounted for by Judge Sullivan, and that is \$500 by Lieut. Gov. E. J. McDermott named as the donor. Representative Harvey Helm's supplemental statement has not yet been filed. His preliminary expenses were \$815.85.

Good Woman Dies in Boyle.

Mrs. Anna Tamme, wife of Mr. Frank Tamme, who lives some distance from Danville on the Perryville pike, passed away Tuesday after several week's illness of heart trouble. She was in her seventieth year, and had celebrated her golden wedding anniversary a few months since. Nine children mourn the loss of a truly devoted and Christian mother. She was a Catholic by creed, and her whole family had been in strict accord with her religious conviction. The children are Mrs. Anna Melberg, of Brown county, O., Messrs. Will, John, Fred and Louis, Misses Minnie, Edith and Emma, and Mrs. M. F. German.

Big Tiger Caught in Danville

What is said to have been the biggest "blind tiger" caught in Danville, in a long time was raised last week by Chief of Police W. Logan Wood and Sheriff B. G. Fox. The plant was located on Second street and was operated by Bertie Harlan, colored. Chief Wood found on the premises freight receipts showing that the woman had received sixteen barrels of liquor during the past three weeks. A lot of beer and 12 quarts of whisky were seized by the officers. George Craigher, colored, was also arrested, charged with operating a blind tiger.

Somerset Autoists Want a Pike

Another movement has been started by citizens of Somerset toward building a pike from Somerset to the Lincoln county line to join the pike there, and thus give them an outlet into the Bluegrass section at all times of the year. The plan of raising the money by private subscription was tried several months ago, but soon fell through. The plan now is to organize a stock company, which will build the pike and place several tollgates along the road. The movement is backed by the automobilists of Somerset and is believed to be a go.

Dr. J. A. Goodson, of Dixon, was appointed Superintendent of the Lexington asylum.

Roosevelt Leads Taft in Poll on
Street Here Monday

Sidney Dunbar, of the Hubble section, one of the most prominent republican voters of the county, was in town Monday, court day, and took a poll of fifteen republicans who passed him while standing at the Lincoln Bank corner about noon. He was discussing the Taft and Roosevelt fight with a number of friends, and suggested such an informal poll as a good way to test the sentiment among the republicans of this county. Of the fifteen republicans of this county. Of the fifteen republicans who passed the corner, 14 of them expressed themselves as intending to vote for Roosevelt and the other one was for Taft. Mr. Dunbar is an enthusiastic Roosevelt man, and believes the Bull Moose will poll more votes than Taft.

STANFORD TO HAVE A DAILY NEWSPAPER

Ed Walton To Get Out The Interior
Journal Each Day During Great
K. of P. Fair.

E. C. Walton, who is known by most people in this part of the state, has contracted with the I. J., to get out a daily during the great Knights of Pythias Fair next week. The first issue will appear next Wednesday morning, when thousands of copies of the K. of P. edition of the Interior Journal will be distributed to the fair visitors on the grounds. Besides giving each person at the fair a copy, one of the Daily Interior Journals will be placed in each vehicle on the grounds. This will be done if it requires five thousand copies. Mr. Walton having contracted for as many of the papers each day as will be necessary to supply the demand.

This will be a splendid way for local merchants and business men generally to get before the public, and they knowing "a good thing" when they see it, we presume, will take advantage of the occasion to advertise their wares. The rate of advertising will be very low and every business man will be given a hearing in the columns of the paper. Mr. Walton will call on the merchants and others, soliciting "ads" and we hope and believe he will meet with a liberal patronage.
